

Country Club Manor

May 2013 Newsletter

Edited by Lee Bakewell

SAY "HI" TO YOUR NEW NEIGHBORS!

Please say "Hello" to the Compton's, Daniel & Debra, who just moved into #235. They have been married for 23 years and have 3 children 7 grandchildren and 3 great grandchildren. Deb is a 30 yr. retired LPN with a degree in art and floral design. Her hobbies include rescuing cabbage patch dolls and restoring them to their original condition. Dan is an over the road trucker for the past 31 years. He is also an avid musician singer and songwriter. They are both really looking forward to the pool , hot tub and activities as well as the peaceful & quiet environment and, of course, making new friends!

"MAGIC" COMES TO CCM

The *Amazing Jeffo* put on a show at Country Club Manor on April 25. He used a few magic tricks to illustrate how he pulled himself up by the bootstraps from three diseases any one of which would have devastated most people. Ulcerative colitis (age 4), rheumatoid arthritis, and then blindness (age 12).

There is a short video clip of the event posted on our website. To view it, just go to www.ccmanor.com, click on Meet our Residents, and then Photos from Recent Activities, where you will see the link to The Amazing Jeffo.

A MESSAGE FROM MARY

Happy Mother's Day to all our mothers, grandmothers and great grandmothers. I trust and pray that you all have a very nice Mother's Day!

Thanks to everyone in the 55 building for your cooperation during the repair of the elevator. I guess we are all glad that's over with.

I would like to extend my sympathies and prayers to Arlene Levine and her family on the passing of LeRoy. May he rest in Peace.

Please be reminded that we will be turning off the heat in the next week or so, so please remember to close your windows before it cools off too much in your apartment as evening approaches. The AC's will be turned on in the next two weeks or so (assuming summer returns) on the south side of the building and when the weather gets a little warmer, they will be started on the north side of the building.

Speaking of the north side of the building, has anyone in the 55 building seen the huge raccoon that is in the culvert near the fire hydrant. I have not seen him eat any birds or squirrels, but have you? He almost looks like he could be dangerous.

Please see Margie's column for upcoming unit inspection dates and a report on our other raccon!

Till next month, Happy Mother's Day, God Bless and let's pray for some warm weather.

MESSAGE FROM MARGIE

I had planned on reminding everyone that the heat is off and we would be turning the AC units on next week but apparently I failed to look at the extended forecast for more snow, rain and cold weather! But hopefully we should have the AC on by June 1.

We will be performing our annual inspections on Tuesday May 14 for the 1945 building and on Thursday May 16 for the 1955 building. You do not need to be present during the inspection. We will be checking smoke alarms, AC filters and water pipes.

For Thursday May 23 @1pm, our guest speaker will be a representative from the Dodge Nature Center. They will be

sharing information about their parks and programs that they have for seniors. I am really looking forward to it because I love nature and birds as you know!

For those of you who live on the Golf Course side of the building you may have seen our local raccoon. He has taken up residence in one of the trees. I tried to get a photo of him but only his eyes were visible through the hole in the tree. As a precaution, it is a wild animal and they can bite so please do not feed him or the squirrels as they can destroy all your plants and patio furniture in no time. Lee has placed the bluebird houses out and we are beginning to see cardinals and other birds as well as a pair of wild turkeys!

Enjoy your spring!

Margie

NOTES FROM OUR "SOCIAL DIRECTORS"

Hi everyone. Happy May! Our casino trip for this month is on Thursday the 9th to Treasure Island. Details are posted throughout the buildings and sign-up sheets are in the lobby. The Birthday/Anniversary Potluck is on Monday the 20th. See posted signs for details. I wasn't going to "organize" a garage sale but I am now. If you want to reserve a table, please let me know. We have a limited number. You will be responsible for all your items and cash. The more people we have, the more people will come to browse and the more we sell. We've

held this sale for many years and it has been a success plus we all have had a great time. It will be held on June 7th and 8th (14th and 15th if rained out) in the parking lot on the east end of the building. I will put out signs and advertise. That's all for now. If you have any

questions or would like to reserve a table please contact me at 612-270-4655 or Apt. 107.

Thanks. Love,

Kevin + Kathy E.

THE FUNNY BONE

- Someone stole all my credit cards, but I won't be reporting it. The thief spends less than my wife did.
- Returning from a trip to visit my grandmother in Canada, I was stopped by a state trooper in New York for exceeding the speed limit. Grateful to have received a warning instead of a ticket, I gave him a small bag of my grandmother's delicious chocolate chip cookies and proceeded on my way. Later, I was stopped by another trooper. "What have I done?" I asked. "Nothing," the trooper said, smiling. "I heard you were passing out great chocolate chip cookies."
- One day, a little girl is sitting and watching her mother do the dishes at the kitchen sink. She suddenly notices that her mother has several strands of white hair sticking out in contrast to her brunette hair. She looks at her mother and inquisitively asks, "Why are some of your hairs white, Mom?" Her mother replied, "Well, every time that a little girl does something wrong and makes her mommy cry or makes her unhappy, one of her hairs turns white." The little girl thought about this revelation for a while and said: "You must have really aggravated Grandma."
- While visiting my dad (who is hard of hearing and refuses to get a hearing aid) we told him he should learn to read lips since he refused to get a hearing aid. His reply to us was "Why would I want to learn to read lips, I can't see."
- A 75 year old grandma asked her doctor for birth control pills.
"Are you kidding?" asked the doctor . "What do you want them for?"
"So I can sleep like a baby."
"It's not a sleeping pill," said the doctor.
"Well, I'll tell you doctor...I have breakfast every morning with my granddaughter and when I give her the juice I put in a pill, and then I sleep like a baby....."
