SAY "HELLO" TO YOUR NEW NEIGHBOR!

My name is Jane Warren #213. I was born and raised in Manitowoc WI. I moved to Green Bay from San Diego, CA 33 years ago with my former husband. I recently decided to move to MN to be closer to my daughter Kathy and her family. I am so happy I did. I look forward to meeting my new neighbors here at CCM. And I am really hoping to get the bridge club started again!

FROM MARGIE'S DESK

Hello everyone!

Chuck & I had a wonderful relaxing vacation in Florida, and we want to give a big thank you to all who helped hold down the fort while we were away!

Ten things to know:

1. Lee now has both computers up and running in the club room.
2. We will be implementing a new Blood Pressure Screening on the 1st Thursday of each month @1PM in the club room. This will be done on a first come basis. Nancy Carbone is our volunteer. Thank you Nancy!
3. I want to remind everyone that we have Tai Chi class each Thursday morning at 10 am. The fee is \$5
4. We are looking for anyone who may be interested in joining a bridge club on Tuesday or Thursday afternoons.
5. Pastor Rita (#232) has lovingly started a food donation from local grocery stores on Tuesday and Thursday mornings for those who have a need or may not be able to get out as often as they would like. There are many items like sandwiches, fruits, veggies, bread and desserts to choose from. We would like to ask that you limit yourself to 1 or 2 items, at least until evening, so that everyone has an opportunity to benefit from this program.

6. We will be installing new clocks in the laundry rooms and we are asking everyone to be considerate when doing laundry. A wash takes approx. 30 minutes and the dryers run for approx. 1 hr. Please set a timer so you can remove your clothes when they are finished. Accidents happen! If you happen to spill laundry soap and you are not able to clean it up please call the office and we will take care of it promptly.
7. For those of you who, like Lee, are bird lovers and have feeders on your balconies, we ask that you please be responsible and courteous to your neighbors by not sweeping the seeds off your deck. Please vacuum them or sweep them into a trash bag and dispose of them.
8. We have had several complaints of visitors beeping their horns for residents to come out on the north side, especially close to the garage. Please consider your neighbors who live above the garage and ask your visitors to refrain from beeping the horn.
9. Linda Johnson hosted several sessions of blanket making for homeless veterans. Twenty blankets were made in all and we want to thank everyone who donated materials or who helped. They went to a good home! Thank you Linda for organizing & making it happen!
10. We have several new residents so please introduce yourself and make them feel welcome as I know you all will!

Have a wonderful month and be healthy,

Margie

THE FUNNY BONE

- The second guy says, "I would like to hear that I was a wonderful husband and school teacher who made a huge difference in our children of tomorrow".

The last guy thinks a minute and replies, "I'd like to hear them say.....LOOK, HE'S MOVING!!!!!"
- A psychiatrist was conducting a group therapy session with four young mothers and their small children.

"You all have obsessions," he observed. To the first mother, Mary, he said, "You are obsessed with eating. You've even named your daughter Candy."

He turned to the 2nd mom, Ann, and said, "Your obsession is with money. Again, it manifests itself in your child's name, Penny."

He turned to the 3rd mom, Joyce. "Your obsession is alcohol. This too shows itself in your child's name, Brandy."

At this point, the 4th mother, Mrs Smith, quietly got up, took her little boy by the hand, and

whispered, "Come on, Dick, this guy has no idea what he's talking about. Let's pick up Peter and Willy from school and go get dinner."

- After dying in a car crash, three friends go to Heaven for orientation. They are all asked the same question: "When you are in your casket, and friends and family are mourning over you, what would you like to hear them say about you?"

The first guy immediately responds, "I would like to hear them say that I was one of the great doctors of my time, and a great family man."

- . A recent study found that women who carry a little extra weight live longer than the men who mention it.
