## ST. PATRICK'S DAY, MARCH 12

Here are a few photos from the St Patrick's Day Brunch. We had a wonderful party with a packed buffet of traditional Irish foods. The residents went all out with corned beef, soda bread, Irish stew, homemade rolls and desserts. The music was absolutely wonderful! Jared and his little girl even had a special dance. It was an exceptional day and really a lot of fun. Here is a link if you would like to hear an excerpt of the music.

## FROM MARGIE'S DESK

Happy Spring Everyone!

Thank you to all who helped out with the spring decorating! If the weather continues to be so nice we will put the patio furniture back out and set up the grills. Of course you are welcome to use them whenever you like. We actually had someone grilling on

Sunday! We have spotted blue birds and robins out and about so spring is definitely here! Mama & Papa goose are also back. I found their nest in the same place as previous years just to the left of the 55 entrance on the rock wall so we will see the goslings in the near future!

Due to the lack of frost we have a very bad driveway this year, full of potholes. We have secured a bid to do the repairs. However we have to wait for the blacktop plant to open and the road restrictions to be lifted. We are hoping for mid to late April. In the meantime please be careful when driving in and out! Here are few tips to keep in mind:

1. In order to try and curb the 10mph speed limit we have installed two stop signs outside the 45 entry.
2. Please inform your guests, family and caregivers of our speed limit.
3. If you and or your guests use the pool, please remember to put chairs back and wipe off tables. Supplies can be found in the kitchen.
4. Please remind your guests not to honk their horns outside of the garage.
5. Please make sure you lock the park gate when you enter or exit.
6. Garage storage letters will go out this month if there is an issue with our Fire Code regarding storage.
7. We will be sweeping the garages and power washing sometime in April; letters will be sent.

8. Please remind all guests that smoking must be at least 15' from any entrance to the building.

I hope you all have a wonderful month!

*Margie*

## THE FUNNY BONE

A beautiful woman runs a red traffic light and crashes into a man's car. Both of their cars are demolished, but amazingly, neither of them is hurt.

After they crawl out of their cars, the woman says to the man: "Wow, just look at our cars! There's nothing left, but fortunately we are unhurt. This must be a sign from God that we should meet and be friends and live together in peace for the rest of our days."

The man looks at the beautiful woman and replies:

"I agree with you completely. This must be a sign from God!"

The woman continues:

"And look at this, here's another miracle. My car is completely demolished, but my bottle of red wine didn't break. Surely God wants us to drink this wine and celebrate our good fortune."

She then hands the bottle to the man. The man nods his head in agreement, opens it, drinks half the bottle, and then hands it back to the woman. The woman takes the bottle and the cap from the man, puts the cap back on, and hands the bottle back to the man.

The man takes it and asks, "Aren't you having any?" The woman replies, "Nah, I think I'll just wait for the police."

Remember how Adam came to eat the apple? Men just never learn!

A middle aged woman had a heart attack and was taken to the hospital. While on the operating table, she had a near death experience.

Seeing God, she asked, "Is my time up?" God said, "No, you have another 43 years, 2 months and 8 days to live." Upon recovery, the woman decided to stay in the hospital and have a face lift, liposuction and tummy tuck. Since she had so much more time to live, she figured she might as well look even nicer.

After her last operation, she was released from the hospital. While crossing the street on her way home, she was hit and killed by an ambulance.

Arriving in front of God, she demanded, "I thought you said I had another 40 plus years? Why didn't you pull me out of the path of the ambulance!?"

God replied, "My child, I am sorry, I didn't even recognize you!"
