SAY "HELLO" TO YOUR NEW NEIGHBOR!

Colleen Foote

Barb Muckle

Hi my name is Colleen Foote (#308). I met Barb (#128) 3 yrs ago at a garage sale of a mutual friend and we have been friends ever since! I have 2 children and a Grandson who is soon to be 2. I love to walk, camp, fish and play golf & tennis when I can. I also love to clean and have been in the business for 25 yrs as well as the medical field for 18 yrs. I am one of 10 children and I grew up in the St Paul area. I am really looking forward to the pool and meeting new friends at CCM.

FROM MARGIE'S DESK

I hope you are all enjoying this beautiful weather as much as I am. As you can probably see, I love planting flowers and working in the yard. It sure is a non-stop job to keep up with though! Hopefully all the perennials and shrubs will be well established by next year. Thank you to all my secret helpers who pull weeds, water (Rita), and give all our outdoor patio furniture a fresh coat of paint (Kevin) and of course to our activities director Kathy who on a daily basis organizes and orchestrates so many things it is impossible to mention them all!

We love you all and appreciate so much the wonderful community that all of you as residents have created and that we have the privilege of calling our home.

Unfortunately we lost a dear friend, Suelin Werner, on Saturday May 28 a day before her 73rd Birthday. We will all miss her beautiful smile and happy spirit. Our condolences to Jay and his family.

Lee will be home for our annual BBQ again this year which will be held on Friday July 8th at 4:30. At 5:30 we will have live entertainment on the patio by The High Tones. (this is the same Father/Son duo we had last year!) We are looking forward to all the good food and of course visiting with all of our friends and neighbors. Here are a few things to keep in mind:

1. Your pool key also works on the park gate. Please be sure to lock the gate after you enter or exit.
2. We now have an automatic pool cleaner (that Kevin has named "Fred") that will be cleaning the pool on Mondays from 10-1. The pool will be closed during these hours.
3. On a side note if you use lotions or perfumes please shower before using pool or hot tub to reduce the amount of chemicals we have to use, and because they can clog up the filter.
4. When you use the outdoor BBQ grills please make sure to shut the gas valve off below when you are finished grilling.
5. If you set something downstairs to give away and it is not gone by the end of the day please dispose of it properly.
6. Please make sure you read the acceptable items (large sign above dumpster) for recycling before throwing it in the bin.

We are saying goodbye to some great residents and friends this month and we wish you all the best in your new homes! I wish you all a great month and I hope maybe you get an opportunity to do something fun or new!

LOCAL RESIDENT PARTICIPATES IN ART SHOW

On Tuesday May 24 the Guild CSP (1740 Livingston in WSP) hosted an art show with 56 works of art. Our very own Tina Lloyd presented a mosaic that she made as a birthday present for her mom. It took 3 weeks to make and she named it "Love me Tender" because of her Mom's love for Elvis Presley and the memories of her trip to Graceland with her sisters. Congratulations on a wonderful job Tina!
