FROM MARGIE'S DESK

Greetings!

Wow I cannot believe we are almost into the Fall Season! I think this summer went faster than ever! I hope you all enjoyed it. As you may know we installed new garage doors *with windows* so that

those who wait just inside for their ride would not have to open and close the door every minute or two to see if their ride has

arrived! If you are sitting too far back, in a wheelchair e.g., we would still ask that you not open and close the big overhead doors to get a clearer picture of who might be waiting for you to exit. Rather, please arrange for your driver to lightly toot the horn—if it's not too late at night— or text/call you upon arrival. Hopefully this will save wear and tear on our door opener not to mention save on heating bills come winter. Thanks for your cooperation.

Football season is here! Go Packers! Kevin & Kathy have been hosting coffee for a number of years now and we have decided to no longer provide specialty donuts. We will provide a dozen assorted donuts and if anyone would like to bring something to share they may do so. Maybe I will provide homemade scones sometime! Just let the on-call know if you would like to do something. We have had a few problems in the restrooms off of the pool area. If you have guests or grandkids please check the bathrooms before you leave the pool area and take care of any messes they may have made or alert the staff. It is also your responsibility to return all items to the storage bin and leave tables and chairs in good order. Thank you in advance for your cooperation in keeping our community enjoyable for all! We went through great expense to install door openers on the garage doors and they are really taking a beating please do not open wider than it allows. Please say hello to your new neighbors and give them all a warm welcome if you have not had the chance to do so. And don't forget the great Minnesota State Fair is going on until Monday! Have a great month and here are a few things to keep in mind:

1. Carpet and Styrofoam are NOT recyclable! Please read the large sign for acceptable items.
2. Please show your guests where the recycle/trash bins are located.
3. Do not give out your security code to family and or friends.
4. Mobile post office is here every Wednesday 11-11:30 cash only/no scale.
5. You can buy stamps/quarters in the office and at Sat morning coffee.

6. Do not place anything outside of dumpsters or in lobbies without notifying the office first.

7. Please be considerate of your neighbors in regards to noise after and before 8am/pm.

8. I have a list of acceptable items for garbage disposals and helpful hints in the office.

9. Please do not leave parked unattended cars in front of dumpsters!

Have a terrific month!

Margie

THE FUNNY BONE

OLDIE THOUGHTS (Continued from Last Month):

6. A recent study has found women who carry a little extra weight live longer than men who mention it.

7. Kids today don't know how easy they have it... when I was young, I had to walk 9 feet through shag carpet to change the TV channel.

8. Senility has been a smooth transition for me.

9. Remember back when we were kids and every time it was below zero out they closed school? Me neither.

10. I may not be that fun. I don't mean to brag but... I finished my 4-day diet food in 3 hours and 20 minutes.

11. I love being over 60 ... I learn something new every day ... and forget 5 others.

12. A thief broke into my house last night. He started searching for money ... so I woke up and searched with him.

13. My dentist told me I needed a Crown ... I said, "You bet, I'll take mine on rocks."

14. I think I'll just put an "Out of Order" sticker on my forehead and call it a day.

15. "Just remember, once you're over the hill you begin to pick up speed."
